Our company is now offering four industrial scholarships, each year, each paying \$500 per year for four years. Either employees or the sons of employees may compete for these scholarships. Possibly one of the best channels for cooperation between the technical schools and industry is, through the teachers. The instructor should be thoroughly acquainted with the work for which his students are being trained before he can hope to secure the best results. The industries should cooperate with teachers in keeping them supplied with literature and information about their product. During these times the technical schools as well as industry are facing a number of very serious problems. The period is coming shortly when you will have to reman your organization. What kind of training are you going to require for teachers. If some practical experience is considered advisable...
