

## Fools, Fortune, and the Fire Engineer's Handbook

---

By Hephastus Jones

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 366 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Do good deeds ever go unpunished Fools, Fortune, and the Fire Engineers Handbook is the tale of two inept firefighters who fake the circumstances of a friend's death in order to recover a 500,000 federal Line of Duty Death benefit for a poor (and supposedly) grieving widow. Meet Fire Engineer Sean Sullivan, a surly oversized gorilla with a short temper, a big mouth, and a penchant for blackmail. He also happens to suffer from a rather unfortunate malady- Pyrophobia, an all-consuming fear of fire. In fact, he's sworn off the stuff completely. After all, in less than 5 billion years, our solar system's sun goes supernova and mother earth itself is consumed. So, given the inevitable outcome of things--what would be the point He likes the citizens who inhabit his troubled mid-western city even less; morbidly obese prostitutes, roaming street gangs of old women in ridiculous red hats, his irritating coworkers. . . But when Captain Dutch Harris suddenly dies just hours before shift, Sullivan hatches a desperate plan that sets an unseen chain of events in motion. Soon,...

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

-- Prof. Kirk Cruickshank DDS

*This kind of book is every little thing and taught me to look ahead of time and a lot more. I am quite late in starting reading this one, but better than never. I found out this book from my dad and I encouraged this pdf to find out.*
