Grin Verlag Feb 2012, 2012. Taschenbuch. Book Condition: Neu. 211x146x7 mm. This item is printed on demand - Print on Demand Titel. - Seminar paper from the year 2008 in the subject Business economics - Marketing, Corporate Communication, CRM, Market Research, printed single-sided, grade: 1,0, University of Applied Sciences Brandenburg, language: English, abstract: If you ever take a trip to the USA and visit one of those giant supermarkets, the first thing you will recognize as soon as you get to the cashiers is consumers giving slips of paper to them. The cashiers would scan those slips of paper and the total amount of the consumer's grocery payment will be reduced immediately. Those slips of paper are called coupons and have been very popular in the USA for many years. Meanwhile, coupons enjoy also a great popularity in Germany but still without such a spread as in the USA. In today's world many changes, especially such as the current financial crisis, give marketers the reason to restructure their marketing strategies. They know that consumers not only try to save as much money as possible, they also have much more brands and products to choose of today. As a...
