Fundamentals of Investments, (Third Edition)

By Gordon J. Alexander, Jeffery V. Bailey, William F. Sharpe

PHI Learning, 2009. Softcover. Book Condition: New. 3rd edition. 18 x 24 cm. This book offers a balanced knowledge of the theory and practice of investment. It introduces readers to the basic set of principles that form the building blocks of modern investment thought and covers the major institutional features and theories of investing. Illustrated with numerous real-world examples, it imparts a working knowledge of the kind of securities that exist, where and how they are bought and sold, and how investment decisions are made. Modular in organization, clear and concise, this book makes minimal use of mathematical notations, while graphs, tables, and illustrations incorporating current market information make the text easy to comprehend.
