In any other circumstances, I should have felt inclined to smile at our present equipage. Myself, at this early hour, brushing the dew from the grass, and nolens volens without a particle of ill-humour or hostile feeling, going out, a complete greenhorn, to fight a duel with a practised hand, under guidance and patronage of a village Esculapius, who looked old enough to be my grandfather! The said Great Medicine enveloped in an old military cloak of blue cloth, ornamented with what had once been a red collar, arm-holes having been cut subsequent to its build, for the purpose of riding comfortably on horseback in it; shocking bad foraging cap upon his head, which, being pulled down over his ears, and nearly meeting the beforesaid stand-up collar, left nothing visible of the wearer s features but his fiery proboscis, and an occasional sparkle of his brilliant...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
