LUCIFER S CHILDREN

Comet Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A family tragedy thrusts Amanda into the foster care of the Henning family at the start of her senior year of high school. Amanda soon learns that the prestigious private school isn't what it seems. Monarch Preparatory School for Girls is a place plagued by rampant teen pregnancy, promiscuity, and violence. Amanda is confused when Kat, who rules the school, befriends her. Perhaps more confusing, though, are her momentary lapses in memory, misplaced or moved objects, and instances of depravity taking place within the Henning household. Unbeknownst to Amanda, Ceremonial Father conducts ritual sacrifice and blood orgies with a group of Satanists. What is truly happening at Monarch Prep? Can Amanda make it to graduation? Most of all, what role will she play? From the author of FAMILY BUSINESS comes the next installment of the Breeder Series - LUCIFER S CHILDREN. Lucifer s Children combines the teens in trouble of classic John Saul with the no-holds-barred visceral intensity of Edward Lee and Jack Ketchum. This is hardcore horror with a heart. You'll want to look away from this smashing, page-turner, but you simply won't be able to. -David Bell, author of Somebody I Used to Know.
