Brand New Book ***** Print on Demand *****.Excerpt from **A Statement of the Rural School Problem in South Carolina, Vol. 2 To the State Board of Education. Gentlemen: As State Supervisor of Elementary Rural Schools, I have regarded myself as a special officer of the Department of Education to whom has been assigned special duties. The six months during which I have held this office have not been employed in the collection of statistics, nor in the tabulation of results. Complete statistical information concerning the status of the schools with which my work is connected will form a part of the report of the State Superintendent of Education. As a field of special effort, the rural schools of South Carolina is a virgin one. Naturally the work of the first six months has been directed largely to renewing a first-hand acquaintance with rural school conditions. I began my work after the close of the schools in June and have had only two months in which to observe actual school operations. Part of the summer was spent in visiting the summer schools for teachers held in various counties of the State, in holding conferences with the County Superintendents, and in special visits to communities which were endeavoring to effect consolidation of schools, to vote special taxes, or to further some other progressive educational movement. Since the rural schools opened about October 15th, I have spent most of the time in the field studying conditions in typical counties of the State. It has been my custom to meet the County Superintendent of Education and spend four days with him, visiting his schools, seeing the work of the teachers, talking with the patrons and trustees, addressing meetings...**
