*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

For much of my life I lived in fear that my past would catch up to me. I hid my beliefs and prejudices and walked among the gentle, unsuspecting people of a small American town. I am, or was, an embodiment of madness, atrocity, cruelty and horror. I had to remind myself how to behave, react and interact with those around me. I could not pick my friends, neighbors or the people I would like to associate with. I could not express my desires and thoughts. I could not do what I wanted to do. I was locked inside a mad world without the ability to make any contribution, as I used to do - during the war and before it. Friends and neighbors? I shunned them. Social groups and religious organizations? I shunned them as well. Often I thought it better to turn myself in or die one way or another - just to get everything over with. That changed one day - a miraculous day when a young child came into my life and helped me back into life, reappraisal, and a quest for atonement. That young child was Jewish. And I am a former SS officer.
