*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Regan Martin stopped believing in Christmas miracles the day she discovered her fiance was already married. The fallout cost her everything her career, her home, and her impeccable reputation in the wine industry. But now she has a second chance with a dream job in the Napa Valley, and a cozy cottage for her and her daughter, whose one Christmas wish is for a forever home. But those hopes are threatened when Gabe DeLuca, the scorned wife's brother, tries to drive Regan out of town even if he can't seem to drive the luscious beauty from his thoughts. When his attempts to get her to leave backfire, he sees that Regan may hold the key to tracking down his sister's stolen start-up capital. As Christmas nears, Gabe realizes Regan might even be his Christmas wish and hold the key to his heart.
